## New Hospital Gets Federal Green Light

The United States Public Health Service has given preliminary approval of Hancock County's application for a hospital, according to a telegram received by the Hancock County Eagle yesterday from Congressman Wm. M. Colmer.

The telegram read:

"Have just wired Johnson Shaw, President Board of Supervisors as follows: 'Glad advise preliminary approval by Public Health Service of survey for construction of thirty bed hospital Hancock County, estimated cost \$395,500, estimated Federal part \$245,300.'"

The Mississippi Commission on Hospital Care earlier this week had given a tentative approval of "part one" of the county's application, according to the American Legion's hospital committee, who have sparked the drive for a hospital from its inception. The approval of the state was contingent upon the Public Health Service's okay, it was said.

The Legion committee said Clerk of Courts A. C. Mitchell had received a letter Monday from Foster L. Fowler, director of the state hospital commission. Fowler had stated in his letter that as quickly as the Public Health Service approved part one of the application, Part Two would be forwarded here for execution by the Board of Supervisors.

In regard to the recent snag encountered by the County's application for hospital funds, John Rutherford Jr., chairman of the hospital committee of the Clement R. Bontemps Post 139, said:

"We have not accused anyone in the delay incurred. We are not interested in pinpointing the responsibility. We are only interested in seeing that we get a hospital here."

"Our Post has more than 300 members and we cannot accept the responsibility of opinions or statements made by members as a whole. No individual member of this Post can point an accusing finger at anyone for delaying action on the County's application based on any official statement by the Legion Executive Board or Hospital Committee, since neither has accused anyone or blamed anyone."

### Cotton Quotas Proclaimed

Continuing large supplies of cotton is the reason why marketing quotas have had to be proclaimed for next year's cotton crop, C. L. Neill, chairman of the State Agricultural Stabilization and Conservation Committee, said today. A grower referendum will be held December 14.

The large supply of upland cotton available for the 1954-55 marketing year is composed of a 1953 crop carry-over of 9 million bales, estimated 1954 production of 12.4 million running bales. This is more than 3.8 million bales above the "normal supply" of 17.7 million bales.

Legislation directs that the Secretary of Agriculture proclaim a marketing quota for the next crop of upland cotton when the total supply exceeds the "normal supply."

The national marketing quota as proclaimed by the Secretary is 10 million bales, the minimum provided for law and the national acreage allotment for the 1955 crop is set at 18,113,208 acres. According to the October crop report, the cotton acreage remaining for harvest this year totals 19,285,000 acres; cotton acreage remaining for harvest this year totals 19,285,000 acres; cotton acreage in cultivation on July 1 of this year totaled 19,961,000 acres. The allotted acreage was 21,379,358 acres.

The referendum of growers to be held on December 14 will determine whether quotas are to be in effect for the 1955 upland cotton crop. At least two-thirds of the cotton growers voting must approve before quotas may be made effective.

SJA KINDERGARTEN HAS HALLOWEEN PARTY—Members of the SJA Kindergarten Class enjoying a Halloween party last Friday were left to right, Michael Blaize, Mary Lagarde, Terry Markel, Carey Phillips, Toni Lynn, Brenda Lee, Gregory Garcia, James Benvenuti, Jeanne Green, William Shumski, Julia Delph, Alena Miriambelli, George Ryan, Martha Lynch, Eugene Greenwald, Herbert Hanson, and Patrick Murphy.

## Tag Deadline Extended To November 6

Deadline for purchasing new license tags without penalty has been extended through Saturday, Nov. 6, Sheriff John Egloff told the EAGLE yesterday.

After Saturday, penalties will be imposed, he said.

The sheriff warned that the use of out-of-state tags on locally driven cars to avoid the purchase of Mississippi tags will subject the owners to stiff fines. He said his deputies have orders to be on the lookout for such cars and to apprehend the drivers.

### Reception for Guest

Mrs. Mary Callahan of Chicago, a guest of Mrs. Marquette Kern, was entertained Sunday night at a reception held at the home of Misses Etta and Veronica Mohr on deMontfuzin Ave.

The party was carried out in the Hallways motif.

The dining room table was draped in a snowy damask cloth with garlands of yellow and purple flowers outlining it, and a suspended Jack-o'-Lantern smiled down on the assembly. Crystal candelabra held lighted tapers, and a centerpiece of flowers completed the decor. The punch table was treated in a similar manner.

Fun was the keynote of the informal gathering, when a huge paper key and bookmarker, inscribed with the lettering "Welcome to Bay St. Louis" was presented the guest of honor by Mayor John Scaife, who extended a welcome from all. In addition to the Mayor were Commissioners J. Cyril Glover and Mrs. Glover and Sylvan J. Ladner and Mrs. Ladner. About 50 guests were invited to meet Mrs. Callahan.

### SJA Mothers Meet

Regular meeting of the Mothers Club of St. Joseph Academy was held Tuesday afternoon in the convent library.

The meeting was opened with a prayer by Sister Raphael.

In the absence of Mrs. George Seuzeneau, president, the meeting was presided over by Mrs. Arthur Chapman, vice president. A letter from Miss Alberta Boyer urging women to join the courses for Gray Lady work in the American Red Cross was read to members. No official report was given on proceeds realized from the Spaghetti supper as all returns were not completed but it is thought that better than five hundred dollars will be netted.

Mrs. Ben Hill requested volunteers from the group to assist at the booths for the Bazaar which will be held at St. Stanislaus recreation hall by the Sideline Club Saturday and Sunday, Nov. 6 and 7. She further mentioned that any donations would be welcomed.

A membership report was given by Mrs. Joseph Culson, chairman, with the high school having reached 100 per cent and the grammar school fast closing the needed gap to reach this mark.

Class prizes were awarded to Sister Winifred's Kindergarten and Sister Maria's first grade. Entrance prize was won by Mrs. Edwin Heath Jr.

Hostesses for the afternoon were Mrs. F. Leonard, Mrs. Peter Benvenuti, Mrs. Pat Murphy and Mrs. Andrew Martinovich. Refreshments were served by them following the meeting.

## Keesler Men To March In Countywide Nov. 11 Parade

A detachment of 120 soldiers from Keesler Air Force Base will march in the big Armistice Day Parade planned here for November 11, it was revealed today by Clairborne Ladner, Chairman of the Special School Americanism Committee of the Clement R. Bontemps Post 139 of Bay St. Louis.

Every school in the city and county is expected to furnish marchers for this Armistice Day Parade, Ladner said. "We have asked each school to increase their number of marchers this year and the response has been gratifying," he said.

The parade of marchers are due to assemble on Carroll Avenue west of Second Street not later than 9:30 a.m. The parade will start at 10:00 and proceed up Carroll Ave. to the Beach, thence south to Main Street, thence west to Second St., thence south to Union Street, thence East to the Beach, thence north to Main Street, thence west to the Hancock County Court House.

A streamlined patriotic program is planned at the courthouse upon the arrival of the marchers. It is expected that the parade and program will be completed not later than noon.

As in the past, the city siren will sound for one minute at 10:59 a.m. on the date of the parade. At 11:00, if still in progress, the Parade will halt. Every person in the city and county is asked to stop for one minute of silent prayer at the end of the siren's sounding at 11 a.m., Ladner said.

The practice established last year of halting the massed flags at every church on the route of the parade to give the tribute of the marchers to House of God again will be followed, Chairman Ladner said. It is hoped that a representative of each church will be in front of their respective churches to accept the tribute and in turn salute the Flag of Our Nation, Ladner said.

County School Supervisor E. E. Brewster said county students would be transported without cost to and from the Bay for the parade.

Company C, 223 Engineer Aviation Battalion, Mississippi National Guard, was activated here Thursday, Oct. 24. The company was composed of one officer and nineteen enlisted men at the time of its activation.

The Company will hold meetings each Monday night from 7 to 9 p.m. Men who are 18 years of age may enlist in the National Guard and will be exempt from the draft if they enlist prior to age 18 years, 6 months. All civic organizations and the local American Legion have endorsed the location of the National Guard company in Bay St. Louis and have indicated their desire to enthusiastically support this venture. When full strength of the Company is ultimately obtained, the annual payroll and other local expenditures by the National Guard will be comparable to a small industry.

## Holleman Asks for Dismissal

A mandamus suit against the Hancock County Board of Supervisors was dismissed this morning by Judge Leslie Grant at the request of District Attorney Boyce Holleman, attorney for the State in the action.

Judge Grant had called a special court session Saturday for hearing of the mandamus suit at the request of District Attorney Boyce Holleman.

Holleman had acted in response to demands of petitioners seeking redistricting of the county beats. The petitioners had claimed that the Board of Supervisors refused to call a special election despite the fact that they had produced signatures sufficient to require an election to decide whether or not the county should be redistricted.

Of signers of two petition that had been presented to the board, 1011 signees were found by the board to be qualified electors—129 short of the 25 per cent needed to make the election mandatory. A third petition was presented by the petitioners yesterday reportedly containing 218 additional names, but the voting status of the signers had not been verified by the clerk.

Holleman requested that the case be dismissed on the grounds that the petition was "not suited."

An unofficial source said that the district attorney's request for dismissal probably could be explained by the fact that the petition in its present form could not be amended to include the additional names, but that there would probably be a "follow-up" action on the case.

## STUDENTS MUST HAVE CARD FROM PRINCIPAL FOR THEATRE TICKETS

Managers of both the A & G and Star theatres have issued notice that any students desiring student rates must present a card from the principal of their school. Upon presentation of this card, the student will be issued a ticket entitling him to student rates.

The previous issue of cards by school principals were green. The new issue is colored red. Students must present these new red cards in their possession to obtain student admission rate of 20c, theatre managers warned. Otherwise regular adult admission must be paid.

# BAY HIGH MEETS PURVIS 11 HERE TOMORROW NITE

In keeping with their policy of broadcasting events of interest along the gulf coast, Radio Station WGCM of Gulfport will broadcast the St. Stanislaus - McGill game Sunday afternoon.

Sportscaster Tommy Neek will handle

Bay High's eighth game of the season will be played tomorrow night at Saint Stanislaus Stadium when the Tigers play host to the Purvis eleven.

Petal, to whom Bay High lost by the score of 21-13 last week, defeated Purvis 14-0. Purvis was the first team to play on Poplarville this season but fell to the Tigers 31-7. The Tigers lost 22-20 to Poplarville.

Bay High mauled Perkinston 51-6 while Purvis won 19-13. Purvis is also a DeSoto Conference member.

The quarter-back Donald Cole told the EAGLE that the Tigers have a weak team and a small squad. He also stated that they will run from the regular T formation.

"We haven't been playing good ball lately, but if we play half as good as we have lately, we should beat Purvis by two touchdowns, and two extra points" Cole said.

Linebacker Ronnie Maurigi added that if the Tigers really play ball they should be able to win their game with ease.

Bay High has a 3-4 record. They have lost twice in DeSoto Conference play.

Cocaptain Kent Sellier said that the three day Bay High had this week really helped the team out. "Tuesday when we hit practice everyone was good," Sellier commented.

Coach Lance Lumpkin has warned Bay High against Petal's quick end short pass attack. Petal has a small quarterback and two big ends and they win their drives by those quick and

In practice this past week the Tiger man looked the best since the season began. However, fullback Hugo Favre has a hurt shoulder which might keep him out of the game. It it does, halfback Tommy Holden will probably be called to fill the spot, with Harold Erdges and Donald Lunders alternating at the right-halfback position. Co-Captain Charles Moran has been working out at the right guard spot the last week and has been showing up well. Coach Lumpkin might have ran playing at the guard spot on offense with another line-backer filling the vacancy.

## WAVELAND WANDERINGS

by  
GEORGETTE B. HALL

The Halloween spirit held sway at the Waveland School Friday when children of the various grades held parties highlighted by the traditional apple dunking. Children of the fifth and sixth grades with their teacher, Mrs. Ethel Mazarakis, gave a unique party. The children acted as hostesses and their mothers were invited guests. A program was presented followed by refreshments prepared by the students.

Students in the lower grades, taught by Misses Mary Margaret and Cecile Turcotte, dressed in Halloween costumes and their party was complete with favors and refreshments. Seventh and eighth grade students, taught by Miss Mary Perkins, dunked for apples, and later enjoyed cookies and cakes prepared by the girls. All of the grades looked forward to the three-day holiday, All Saints being one of the school's official holidays for this term.

Alton Barber, representative of the Extension Service of State College, Mississippi, and assistant county agent for Hancock County, left this week on a Forester Tour which will take him and the five boys in his charge to Jackson and Oxford, Miss., and Memphis, Tennessee. The group will visit wood and glass factories in these cities. Mr. Barber also is head of the 4-H Club.

During the absence of her husband, Mrs. Barber and son are visiting in Carriere, Miss., where they are the guests of Mrs. Barber's mother, Mrs. J. M. Holloway, and Mr. Barber's mother, Mrs. Zell Barber.

Work is now started on the Waveland Methodist Sunday School on Railroad Ave. and E. Lane. The building, when completed, will be used as a place of worship and also as Sunday School rooms. The building is expected to be completed sometime this month.

Strange things are brought to the attention of this column sometimes. Seems like there were five ghosts who really felt like haunting things Sunday night. They were mild, happy ghosts and mentioned that they would like to "just get their names in the paper." So here goes!

Happy spooks came around Waveland last week end were Tony Ray Bourgeois, Eddie Bourgeois, Michael and Donald Peterson and Henry Noto.

Driving into New Orleans Sunday night to hear the final sermon of the Billy Graham Crusade were Mr. and Mrs. Travis Bozeman, Mrs. Brumfield and daughter, Grace Brumfield, Mrs. Ruth Meilleur and Miss Dolores Bernard.

Mr. and Mrs. E. H. Moulner of Norfolk, Va. are visiting Mr. and Mrs. W. M. Bozeman this week. Mrs. Moulner is a sister of Mrs. Bozeman. The Moulners are on their way home after a trip to California.

Cecil R. Floyd, brother of Mrs. W. M. Bozeman, is now in Baltimore, Maryland where he is manager of a restaurant owned by the Hecht Co.

Mr. Floyd was formerly employed by the "Braun Derby," an exclusive restaurant frequented by celebrities in Hollywood.

Congratulations to Mr. and Mrs. Jean Slocum on the arrival of a new son. The Slocums have an other child, a daughter, Miss Slocum is the former Laydell Price daughter of Mr. and Mrs. Herman Price of Waveland.

Guests of Mr. and Mrs. Walter Carver on All Saints Day were Mr. and Mrs. Dennis Doughton and Mr. and Mrs. Elmer Carver and son, Elmer, Jr., all of New Orleans.

Visiting Mr. and Mrs. George Stelz on All Saints Day were Mr. and Mrs. Sam Spinnatto, Mr. and Mrs. Harold Carver and children, Luis and Harold Jr., of New Orleans.

Miss George Hugg of New Orleans, Miss Elizabeth Pantum of Baton Rouge, Mr. and Mrs. Jos Register, Mr. and Mrs. Sam Collins and Joseph Quaid were guests of the El Gipsos on Sunday.

Mrs. Ed Gipson Jr. and children, Mary Lou and Frankie, are spending a week with the Gipson family. Frankie celebrated his fourth birthday while in Waveland with his grandparents.

Mrs. Gus Waldorf is home again after being ill for quite a while. She was in New Orleans during her illness, but is glad to be in better health and back home in Waveland.

Ronald Russell, son of Mr. and Mrs. Adam Russell, has been made Corporal at Camp Gordon, Ga., where he has been stationed. Cpl. Russell has also taken over the duty of squad leader of the third squad in the first platoon. His family expects him home soon for a short visit.

One of the highlights of the day will be a Pontifical Mass celebrated by His Excellency, Bishop Genov, in the church of Our Lady of the Gulf. A choir consisting of sixty high school students is now being trained by Father Rossana, SVD.

A national marketing quota of 10 million bales and a national acreage allotment of 18,113,208 acres have been proclaimed for 1955 by the Secretary of Agriculture.

A national cotton marketing quota referendum will be held on December 14, 1954. Two-thirds of the cotton farmers voting in the referendum must approve the marketing quotas before they can be made effective.

Under provisions of law, 10 million bales automatically become the marketing quota under the present supply situation. The national acreage allotment is the acreage required to produce this 10 million bales. This is based on the five year average, 1949-1953, of yield per acre planted.

According to latest available statistics the total supply of upland cotton for the 1954-55 marketing year is estimated at 21 and a half million bales. This is 11 million bales more than the national supply of 10 million bales. The total supply figure for 1954-55 marketing year is due largely to the large carryover from the 1953 crop year which was the fourth largest crop on record.

### BREEDING DAIRY COWS

The season for breeding dairy cows for fall freshening is just around the corner. Cows bred November 1 should freshen around August 10. Those bred December 1 will freshen around September 10, and those bred January 1 should freshen around October 10. Use these figures as a guide in planning your fall freshening program.

Remember, the heifer calves dropped next year will be the future cows of your dairy herd. Make sure that they are top notch producers. Use the service of better bulls that will transmit higher production to the heifer calves. Save replacements from your best cows.

You can get the services of the best bulls available from the Mississippi Artificial Breeding stud. In this way you do away with the necessity of keeping an expensive and dangerous bull on your farm.

STRAWBERRIES  
Set strawberry plants for next year within the next few weeks. In this part of the state, these can be set out before the end of November.

Strawberry plants are not as delicate as they look. They will withstand winter weather and make some root growth before spring warmth. However, in case a hard freeze occurs before the roots get established, press plants back into the ground to prevent drying out.

Lay off rows 3 1/2 feet apart and space plants 12 inches in drill. Before setting plants apply 2 quarts of fertilizer for each 100 feet of row. Klomure and Konway are the best varieties for South Mississippi. For home use Suwanee also may be planted.

**JAYS PREP FOR CAGE SEASON**  
Under the direction of Sister Jean and Miss Hilda Roenthal the Gold Jay basketball team of 1954-1955 has been chosen and is now hard at work practicing for its first game.

After a week of preliminary practice for which thirty-five hopefuls reported, the group was narrowed down to twenty-five who now comprise the team. Twelve players, along with the Gold Jay manager, Pam Crasto, returned from last year, the balance being chosen from the freshmen who reported.

Forwards: Pattie Olavarrieta, Christie Del Carmen, Carolyn Ladner, Janet Genin, Laurie Curet, Jane Favre and guards Jeannette Monti, Gaydell Cue, Dianne Seuzeneau, Di Blanchard and Helen Genin are the girls who reported back from last year, while those new to the Gold Jay team are forwards Carolyn Brouse, Marie Saucier, Barbara Kidd, Ann Ferry, Patricia Kingston Sheila Heitzmann and guards Peggy Kergosien, Gay Rhodes, Karen Christianson, Myra Monti, Ollie Morris, Emilie Delph, Rusty Breath and Catherine Matherne.

**Mother Superior Ill In New Roads**  
Mother Anna Mary is now taking a month's rest in the Saint Joseph's Hospital in New Roads on the advice of her physician.

Replacing her is Mother Evelyn, the Provincial Treasurer from the Novitiate House in New Orleans.

## SPORTS VIEWS and REVIEWS

BY CHRISTOPHER BELL

It is a pity that the Los Angeles Rams, who are the college game with Wisconsin and Michigan. He recently played in the movie "Crazy" which was the story of his life.

The Pass Christian cagers won their basketball tournament last year but broke an overtime period in the final contest with Orange Grove to do it.

The second, third and fourth quarters ended in ties.

Pharos Leroy Wesovich forced the overtime period when he sank the second of his foul shots, after the game had ended, to tie the score 47-47.

After both teams made two field goals in the overtime period Orange Grove's Jerry Rouse, who is still with the team, made a seemingly perfect shot in the last seven seconds but when he left the rim Rouse fouled.

He fouled when he jumped for the shot.

The team counted on the play and Parker stepped to the free throw line and sank the ball as 1200 fans watched. The score was 42-41.

LeRoy Barker is now with Uncle Sam's Air Force. He is in his second year at Pass High.

In case you should wonder, while watching St. Stanislaus' homecoming game Sunday, just what the men on the sidelines were doing, the men on the sidelines are doing, well, you tell me beforehand that two radio stations are carrying the football game.

Radio Station WABB of Mobile, Ala., has Jack Bitterman handling the play-by-play account of the game for Arkansas who couldn't follow McGill's lead. Henry Ott will be their announcer for the game.

For the Mississippi Gulf Coast fans it will be Radio Station WGCM of Gulfport.

WGCM and ABC affiliate will have sports announcer Jimmy Keen handle the account of the game.

It has been the policy of the station to cover all sports events of interest along the coast and WGCM has been in Bay St. Louis many times.

Earlier this year, the weekend of Jan. 28, they covered the Bay High Invitational Basketball Tournament, which was a three-day affair.

Coverage like this aids Bay St. Louis very much and shows other cities along the coast how we provide

## our students with top sports opportunities

Basketball is slowly slipping into the prep spotlight with three local schools already engaging in contests. St. Joseph, Dedaux and Sellers have already started play.

The Sellers Green Wave now has five games to their credit and are yet to be defeated. Dedaux is undefeated in three games, while St. Joseph of Pass Christian has failed to win in six games.

Behind the sharpshooting of Shirley Ladner and Dorela Cuevas the Sellers ladies are off to a 3-2 start. Dedaux has a 1-2 record while St. Joseph girls have one win in six games.

Mildred Logan, who last year piled up many points in Gulf Coast games, is again with the team and has again found her range. The Logan girl is averaging 21 points a game while the team is averaging 30.6 points a game.

In their only victory, a 42-29 win over Dedaux, she went into a final quarter shooting display to give St. Joseph the win after they had only a point lead at the end of the third quarter.

Fans along the coast will never forget when St. Joseph lost in the finals of the Lyman Tournament 71-59 despite the 50 point effort of Logan.

St. Joseph has arranged for two games with St. Stanislaus and St. Joseph Academy. They will play in Bay St. Louis December 13 and in Pass Christian January 23.

Mrs. Lester Smith returned from a week spent in New Orleans while in the city she was the guest of her sisters in law, Mrs. Oscar Thibodeaux and Mrs. Gladys Penno.
